

Lesson 8

Review / Consolidation
General Actions
Here-and-Now Actions
Future Actions / Plans

This is a complete review of all the kinds of actions you have been studying. This lesson tests your ability to ask questions accurately, to listen carefully to other students' answers, and to write the answers down correctly using "he"/"she" forms.

Follow these instructions carefully:

Step 1

Read all the questions carefully first.
There are 15 questions altogether.
Circle the questions you do not understand.

Step 2

Try to answer all the questions in the column
"My Answer".
If you don't know, look back through your book.

Step 3

Now start asking the questions to other students.
Remember to use he / she forms!
And **don't forget** the "s" ending!

Step 4

If you finish all the questions and answers,
check your writing for spelling and neatness.
Then you may show your book to the teacher.
